NPASS and Neonatal Therapy: Bridging the Gap for Students in the NICU

Jessica Restivo, MS, OTR/L is a graduate of SUNY Downstate Health Sciences University with a specialization in early intervention.

Currently Jessica serves on the Board of Directors for the National Perinatal Association.

She fulfills the role of Director of Outreach and newly appointed as VP of Development for NPA.

She often presents to students at the undergraduate and graduate level and provides mentorship to students.

Jessica's primary area of practice is with infants in the NICU, children in the Peds and PICU units, and toddlers enrolled in early intervention.
