Community-Powered Approaches to Impacting Maternal Health

Annie Lee, JD, president and chief executive officer, is responsible for advancing the Colorado Access corporate mission and provides executive oversight for all programs.

Ms. Lee is known as a trusted and collaborative leader with extensive experience working within the Medicaid landscape in Colorado. Currently, Ms. Lee is the Executive Director of Community Health and Medicaid Strategies at Children's Hospital Colorado. She also served as Senior Director of Medicaid and Charitable Coverage Programs at Kaiser Permanente Colorado. Prior to that, Ms. Lee spent four years working at the Colorado Department of Health Care Policy and Financing.

Ms. Lee received her Juris Doctor (JD) from the University of Denver Sturm College of Law and her undergraduate degree in Political Science from the University of Colorado in Boulder.

Ms. Lee is Korean American, the daughter of Korean immigrants, and she comes from a military family. She is the first female and the first person of color to be the Chief Executive Officer at Colorado Access. Ms. Lee has lived in Colorado most of her life and resides in Denver.

In her spare time, she enjoys traveling, reading, and hiking.
